

# AL DAWLI INVEST ISLAMIC KD MONEY MARKET FUND

Fund Licensed by the Kuwaiti CMA (LCIS/2025/0002)

31 March 2025

## Fund Objective & Strategy

The Fund aims to deliver competitive returns by investing in highly liquid short and medium-term money market instruments that adhere to Islamic Shariah principles. The Fund seeks to maximize yield, while prioritizing capital preservation by allocating assets to term deposits held with local banks. Additionally, the Fund may invest in other Shariah-Compliant Money Market funds with similar objectives, provided their methodologies are aligned with the investment strategy and controls outlined in the Articles of Association.

All investments are reviewed and approved by the Fund's External Shariah Auditor to ensure compliance with Islamic Shariah principles. The Fund will seek to increase its Net Asset Value while maintaining a high level of liquidity by investing in high-quality instruments denominated in Kuwaiti Dinar or other currencies.
